

PRE-CONFERENCE WORKSHOPS | Wednesday, 18 November

	Registration	
	Workshops	
Fez 1	CANCER RISK ASSESSMENT AND	Programme
Venue has	GENETIC COUNSELLING	A Oluwatosin (Nigeria) Welcome/Introduction
simultaneous		K Blazer (USA) Cancer genomics 101: Introduction to clinical cancer genomics and identification of at-
interpretation	Chairs: A Oluwatosin (Nigeria), K	risk patients
	Blazer (USA), F Olopade (USA)	D Huo (USA) Epidemiology of inherited breast cancer
Fez 2	CURABLE CERVICAL CANCER IN	Programme
	AFRICA	N Mbatani (South Africa) The best method of early detection of cervical cancer for Africa
Venue has		G Dreyer (South Africa) Classification of radical hysterectomy: how radical should we be?
simultaneous	Chairs: N Benjaafar (Morocco), G	L Snyman (South Africa) Method, limitations and indications of sentinel lymph node dissection
interpretation	Dreyer (South Africa)	N Benjaafar (Morocco) Prerequisites to deliver curative radiation in late stage disease
	· · ·	L Ramondetta (USA) The value of chemotherapy in treatment of cervical cancer in Africa
Karam 1	GYNAECOLOGIC ONCOLOGIC	Programme
	PATHOLOGY WORKSHOP	A Adesina (USA) Introduction
		M Wells (UK) Pathology of endocervix
	Chair: Y Iliyasu (Nigeria)	S Hauptmann (Germany) Recent advances in pathology of the endometrium
Karam 2	PROSTATE CANCER	Programme
	Supported by Astellas	H Mrabti (Morocco) Introduction
	pporton wy ristorius	L Niang (Senegal) Radical prostatectomy for localised prostate cancer: Feasibility and challenges in West
	Chairs: SM Gueye (Senegal), H Mrabti	and Central Africa
	(Morocco), T Rebbeck (USA)	H Mrabti (Morocco) Treatment of hormononaive metastatic prostate cancer
	(Morocco), Thebbeck (OSA)	K El Hassani (Morocco) Medical treatment of advanced castrate resistant prostate cancer
		Discussion
Karam 3	AFRICAN DIASPORA LEADERS'	
Karaiii 3	SYMPOSIUM	Programme Establishment of a naturally of knowledge sharing and support for African Diagnosa organizations with
	STIVIPOSICIVI	Establishment of a network of knowledge sharing and support for African Diaspora organizations with
	Chaire C Mahamamad (Cudan)	programs benefiting African populations, in consonance with the AORTIC Roadmap for Cancer Control
	Chair: S Mohammed (Sudan)	A strategic plan for engaging more African Diaspora organizations to be involved in cancer prevention and
		control efforts benefitting African populations
	1- 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	Publication of lessons learnt from the symposium and blueprint for forward action
	Tea break, exhibition	
	Workshops	
	CANCED DICK ACCECCATAIT AND	Duaguaguaguaguaguaguaguaguaguaguaguaguagu
Fez 1	CANCER RISK ASSESSMENT AND	Programme
Venue has	CANCER RISK ASSESSMENT AND GENETIC COUNSELLING	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and
Venue has simultaneous	GENETIC COUNSELLING	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and other countries in the diaspora
Venue has	GENETIC COUNSELLING Chairs: A Oluwatosin (Nigeria), K	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and other countries in the diaspora P Adejumo (Nigeria) Establishing a cancer risk and prevention clinic in Nigeria: Lessons from the field
Venue has simultaneous	GENETIC COUNSELLING	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and other countries in the diaspora P Adejumo (Nigeria) Establishing a cancer risk and prevention clinic in Nigeria: Lessons from the field K Blazer (USA) Overview of the hereditary colon cancer syndromes
Venue has simultaneous	GENETIC COUNSELLING Chairs: A Oluwatosin (Nigeria), K	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and other countries in the diaspora P Adejumo (Nigeria) Establishing a cancer risk and prevention clinic in Nigeria: Lessons from the field K Blazer (USA) Overview of the hereditary colon cancer syndromes Questions and answers
Venue has simultaneous interpretation	GENETIC COUNSELLING Chairs: A Oluwatosin (Nigeria), K Blazer (USA), F Olopade (USA)	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and other countries in the diaspora P Adejumo (Nigeria) Establishing a cancer risk and prevention clinic in Nigeria: Lessons from the field K Blazer (USA) Overview of the hereditary colon cancer syndromes Questions and answers Conclusion/Evaluation
Venue has simultaneous	GENETIC COUNSELLING Chairs: A Oluwatosin (Nigeria), K Blazer (USA), F Olopade (USA) COLPOSCOPY WORKSHOP	F Olopade (USA) Familial breast and ovarian cancer syndromes: Results from the African continent and other countries in the diaspora P Adejumo (Nigeria) Establishing a cancer risk and prevention clinic in Nigeria: Lessons from the field K Blazer (USA) Overview of the hereditary colon cancer syndromes Questions and answers Conclusion/Evaluation Programme

	PRE-CONFERENCE	WORKSHOPS Wednesday, 18 November
Karam 3	AORTIC-MDACC-ASCO JOINT SESSION	
	Chairs: L Chuang (USA), K Schmeler	K Schmeler (USA) Introduction S Ghosh (USA) MD Anderson's Africa initiative: Capacity building for cancer care through training and
	(USA)	education L Chuang (USA) ASCO resource stratified cervical cancer treatment guideline 2015
		J Yadiny (USA) Developing 21st century health care leaders R Satcher (USA) A mobile phone platform for cancer patient evaluation and follow-up in Sub-Saharan
		Africa D Bedi (USA) Cost effective diagnostic imaging in management of soft tissue cancers: The case for ultrasound
		Z Liao (USA) Multi-disciplinary management of lung cancer S Black (USA) Breast cancer and the role of surgery
		M Mutebi (Kenya) Surgical oncology in LMICs: Bridging the gap B Beadle (USA) and L Court (USA) Quality and safety in radiation oncology: Physician and physicist
		perspectives P Brock (USA) Screening for oncogenic viruses in a comprehensive cancer centre: Initiating practice
		change through the emergency centre L Chuang (USA) and K Schmeler (USA) Discussion and wrap up
	Lunch break, exhibition Lunch sessions	
Karam 1	CULTURAL ISSUES IN CANCER	Programme
	PREVENTION AND MANAGEMENT	A Jegede (Nigeria) A medical sociologist's perspective around cultural issues in cancer prevention and management
	Chair: A Oluwatosin (Nigeria)	A Halima (Morocco) Experiences with clients around cultural issues in cancer prevention and management
		A Anarado (Nigeria) Experiences with clients around cultural issues in cancer prevention and management Q&A
Karam 2	STANDARDISING PATHOLOGY	Programme
	DIAGNOSTICS IN SUB-SAHARAN	Launch of Surgical Pathology QA/QC Protocol
	AFRICA Chair A Adosina (USA)	LabSkills Africa: Improving pathology through leadership, mentoring and partnership Developing a united African voice for pathology: The role of AORTIC (APF), RCPath and the Friends of Africa USCAP Initiative
14:30 - 15:45	Chair: A Adesina (USA) Workshops	OSCAP IIIItiative
Fez 1	SCIENCE OF GLOBAL CANCER	Programme
Venue has	DISPARITIES	F Olopade (USA) Welcome and introduction
simultaneous interpretation	Chair: F Olopade (USA)	F Olopade (USA) Translational genomics to accelerate progress in cancer research S Mbulaiteye (USA) Burkitt's Lymphoma in the 21st century T Rebbeck (USA) Genetic epidemiology of prostate cancer
Fez 2	ONCOLOGY NURSING PRE- CONFERENCE WORKSHOP	Programme N Bouhajjair (Morocco) Risk management chemotherapy in a day hospital
Venue has simultaneous	Chairs: M Obba (Morocco). A	A Zeddou (Morocco) Les bonnes pratiques d'administration des anticancereux injectables E Abong'o (Kenya) Generic drugs or dummies: How can nurses support purchase of high quality
interpretation	Oluwatosin (Nigeria), A Young (UK)	chemotherapy in public hospitals? M Bensalem (Morocco) Therapeutic education of patients on oral chemotherapy
Karam 1	GYNAECOLOGIC ONCOLOGIC PATHOLOGY WORKSHOP	Discussion Programme M Wells (UK) The pathology of gestational trophoblastic diseases
	Chairs: MI Diomande (Ivory Coast), F	M Wells (UK) Common problems in consultation practice
	Ogunbiyi (Nigeria)	
Karam 2	MASTERS CANCER ADVOCACY WORKSHOP - PART 1	Programme F Odedina (USA) and K Asante-Shongwe (South Africa) Welcome and opening remarks
	(invitation only)	F Odedina (USA) ABCs of Cancer Advocacy Plan K Asante-Shongwe (South Africa) Cancer advocacy in people of African ancestry
	Chairs: K Asante-Shongwe (South Africa), F Odedina (USA), R Segal (USA)	R Segal (USA) Evaluating your advocacy programme
Karam 3	MEDICAL EDUCATION IN ONCOLOGY:	
	THE IMPACT OF THE E LEARNING METHODOLOGY IN AFRICAN SETTINGS	A Sedano (Spain) E-learning as a significant option in developing countries X Bosch (Spain) Cervical cancer prevention in Africa A Company Serrat (Spain) Oncology training in Africa
	Chairs: L Denny (South Africa), A	L Banda (Zambia) Challenges and opportunities in capacity building: The PACT/IAEA VUCCnet Project
	Elzawawy (Egypt)	

16:00 - 17:30	Workshops	
ez 1	SCIENCE OF GLOBAL CANCER	Programme
	DISPARITIES	K Odunsi (USA) Emerging concepts in cancer immunotherapy
enue has	2.0.720	CP Babalola (Nigeria) Pharmacogenomics and drug development for low resource setting: What can w
imultaneous	Chair: F Olopade (USA)	do to accelerate progress?
nterpretation	Chair i Giopade (G5/1)	CS Olopade (USA) Ethics of global cancer research
		V Leaner (South Africa) Biomarkers in cervical cancer
		Questions and answers
		Conclusion / Evaluation
ez 2	ONCOLOGY NURSING PRE-	Programme
C2 2	CONFERENCE WORKSHOP	H Mimouni (Morocco) The relationship between the nurse accompanying mastectomy women and
	CONTENENCE WORKSHOT	acceptance of the new body image
/enue has simultaneous	Chairs: M Obba (Morocco), A	A Naamaal (Uganda) Psychological aspect of cancer care
nterpretation	Oluwatosin (Nigeria), A Young (UK)	F Amagueroude (Morocco) L'information communiquee par le personnel infirmier aux futures femmes
	Glawatesiii (Mgeria), 74 Todiig (GR)	mastectomisees au niveau de pole gynéco-mammaire
		M Zineb (Morocco) La prise en charge des personnes atteintes du cancer tour au long du parcours des
		soins
		CEO Zineb (Morocco) La familie du malade au coeur du soins en oncologie
		Discussion
Karam 1	GYNAECOLOGIC ONCOLOGIC	Programme
	PATHOLOGY WORKSHOP	S Hauptmann (Germany) Case illustration II
		NA Othieno-Abinya (Kenya) Pathology and clinical oncology divide: Bridging the gap, a clinical
	Chairs: AA Banjo (Nigeria)	oncologist's perspective
	3,1 (3,1)	S Sayed (Kenya) Pathology and clinical oncology divide: Bridging the gap, a pathologist's perspective
Karam 2	MASTERS CANCER ADVOCACY	Programme: Concurrent Knowledge Sessions
	WORKSHOP - PART 2	K Asante-Shongwe (South Africa) Policy advocacy
	(Invitation only)	F James (Nigeria) and M Mutebi (Kenya) Education advocacy
		M Jackson Scroggins (USA) Research advocacy
	Chairs: K Asante-Shongwe (South	VH Simons (Spain) Fundraising advocacy
	Africa), F Odedina (USA), R Segal (USA)	E Munatswa (South Africa) Support advocacy
		A Adams (USA) and I Nwabukwu (USA) Community outreach advocacy
		K Asante-Shongwe (South Africa) Teaching techniques and effective strategies for training
		F Odedina (USA) Partnering with researchers for effective advocacy
(aram 3	DISEASE CONTROL PRIORITIES IN	Programme
	DEVELOPING COUNTRIES: CANCER	H Gelband (USA) Introduction to Disease Control Priorities and recommendations from DCP3 Volume 3
		Cancer
	Chair: H Gelband (USA)	S Gupta (Canada) Curing childhood cancer in low- and middle-income countries
		L Denny (South Africa) Cervical cancer prevention and screening
		E Luyirika (Uganda) Essential palliative care
		R Sankaranarayanan (France) Cancer registries and surveillance
		SE Horton (Canada) Cost and cost-effectiveness of essential cancer package elements

PRE-CONFERENCE WORKSHOPS | Thursday, 19 November

07:00 - 17:30		E Workshor 5 Marsaay, 15 November
	Workshops	
Fez 1	BIOBANKS	Programme
	Supported by IARC	M Mendy (France) The BCNet - LMIC biobank network: Opportunity to build biobank infrastructure in
Venue has	,	Africa
simultaneous	Chairs: A Benider (Morocco), G	J Dillner (Sweden) Biobanks, cohorts and registries: Essential research infrastructures for global cancer
interpretation	Dagher (France), M Mendy (France)	control
	18 1 (1 11)	S Kyobe (Uganda) Transformation of biobanking in LMIC: A Ugandan perspective
		M Henderson (USA) Sustainability in biobanking: How planning for quality and use increases the value of
		your biobank to the community
Fez 2	PSYCHO-ONCOLOGY: WHEN A CHILD	Programme
	OR ADOLESCENT HAS CANCER - PART	
Vanua haa	1	A Ullrich (Switzerland) Opening remarks
Venue has simultaneous	Supported by IPOS	C Asuzu (Nigeria), JC Holland (USA), and M Watson (UK) Introduction
interpretation		C Asuzu (Nigeria) and A Patenaude (USA) Communication with children and young adults with cancer
	Chairs: JC Holland (USA), J Marston	and their siblings
	(South Africa)	M Grootenhuis (Netherlands) and P Odiyo (Kenya) Supporting patients and families where a child has
	Discussants: M Lazenby (USA), S	cancer - even at a distance
	Ndiaye (Senegal)	
Karam 1	RESOURCE MOBILISATION FOR	Programme
	CANCER CONTROL IN FRANCOPHONE	
	AFRICAN COUNTRIES	Setting the stage (I)
	Supported by IAEA/PACT	Setting the stage (II)
		- · ·
	Chair: N Enwerem-Bromson (Austria)	
	` ′	
Karam 2	MASTERS CANCER ADVOCACY	Programme: Concurrent Action Sessions
	WORKSHOP - PART 3	K Asante-Shongwe (South Africa) Policy advocacy
	(Invitation only)	F James (Nigeria) and M Mutebi (Kenya) Education advocacy
		M Jackson Scroggins (USA) Research advocacy
	Chairs: K Asante-Shongwe (South	VH Simons (Spain) Fundraising advocacy
	Africa), F Odedina (USA), R Segal (USA)	E Munatswa (South Africa) Support advocacy
		A Adams (USA) and I Nwabukwu (USA) Community outreach advocacy
Karam 3	GLOBAL CANCER ADVOCACY AND	Programme: Student Leadership Initiative
	ACTION WORKSHOP	The American Cancer Society Student Leadership Initiative training program is a comprehensive leadership
	Supported by ACS	experience geared toward developing leadership capacity by focusing on progressive conceptions of
		leadership, action planning and empowering student and young professional leaders.
	Chair: P Fredriksen (USA)	
Hospital (off	PATHOLOGY	Programme
site)	IMMUNOHISTOCHEMISTRY	A Adesina (USA) Introduction
	WORKSHOP	R Hanane (Morocco) Welcome
		P Jackson (UK) Essentials of tissue fixation and processing for immunohistochemistry
	Chairs: A Kalebi (Kenya), L	P Jackson (UK) Pre-treatment and principles of antigen retrieval
	Ngendahayo (Burundi)	
	Tea break, exhibition and posters	
11:00 - 13:00		
Fez 1	CANCER REGISTRATION	Programme
Venue has		E Singh (South Africa) Cancer registration in Africa 2015
simultaneous	Chairs: A Benider (Morocco), DM	C Dzamalala (Malawi) Oesophageal cancer in Africa
interpretation	Parkin (UK)	SS Manraj (Mauritius) Studying cancer survival in African populations
		G N'da (Ivory Coast) Trends in the incidence of cancer in Africa
		DC Stefan (South Africa) Childhood cancer in Africa
		O Ogunbiyi (Nigeria) "Cancer in Africa": IARC/AFCRN monograph
		F Bray (France) Linking data to action: The Global Initiative for Cancer Registry Development
		I Ekanem (Nigeria) Breast cancer biology study interim results: Hormone receptors in West, East and
	DOVELLO ONICOLOGY WILLEN & C	Southern Africa
Fez 2	PSYCHO-ONCOLOGY: WHEN A CHILD	Programme
		A Patenaude (USA) Emotion-Focused Therapy, Play Therapy, and other psycho-oncology techniques
Venue has	2 Supragrad has IDOS	J Marston (South Africa) and P Odiyo (Kenya) Pain, emotional and physical: How palliative care can help
simultaneous	Supported by IPOS	children cope with cancer
interpretation		M Grootenhuis (Netherlands) and S Ndiaye (Senegal) Surviving and thriving
	Chairs: JC Holland (USA), J Marston	
	(South Africa)	
	Discussants: M Lazenby (USA), S	
	Ndiaye (Senegal)	

Karam 1		
Karam 1	RESOURCE MOBILISATION FOR	Programme
	CANCER CONTROL IN FRANCOPHONE	
	AFRICAN COUNTRIES	Group Work
	Supported by IAEA/PACT

	,,	
Karam 2	SCIENCE OF GLOBAL CANCER	Programme
Naraili 2		
	ADVOCACY WORKSHOP - PART 1	F Odedina (USA) Welcome remarks
		K Asante-Shongwe (South Africa) and VH Simons (Spain) Certification ceremony: 2015 Master Trainers
	Chairs: K Asante-Shongwe (South	L Denny (South Africa) Cancer in Africa
	Africa), F Odedina (USA), R Segal (USA)	VH Simons (Spain) Use of information and communications technologies (ICTs) for Advocacy
		DD Ricks (USA) The art and science of patient navigator
		D Oluwole (USA) Public-private partnerships for successful advocacy programmes
		Panel discussion
		r affel discussion
Karam 3	GLOBAL CANCER ADVOCACY AND	Programme: Student Leadership Initiative
	ACTION WORKSHOP	Continued from 09:00 - 10:30
	Supported by ACS	
	Chair: P Fredriksen (USA)	
Hospital (off	PATHOLOGY	Lab scientists and interested pathologists programme
site)	IMMUNOHISTOCHEMISTRY	P Jackson (UK) Practical hands-on immunohistochemistry
	WORKSHOP	
		Alternative programme for pathologists not attending practical
	Chairs: GO Ogun (Nigeria), EK Wiredu	O Rotimi (UK) Interpretation of IHC: Caveats and pitfalls
	(Ghana)	J Thomas (USA) Application of IHC in the diagnosis of undifferentiated epithelial tumour
	· ·	O Rotimi (UK) Application of IHC in the diagnosis of undifferentiated spindle cell tumours
13:00 - 14:30 l	Lunch break, exhibition and posters	() ()
13:15 - 14:15	<u> </u>	
		Drogramma
Fez 1	STATE OF THE ART TESTING AND	Programme
Venue has	FURTHER ADVANCEMENTS IN THE	G Erb (France) The importance of the pre-analytic phase of HER2 testing
simultaneous	TREATMENT OF HER2+ BREAST	J Gralow (USA) Optimizing treatment for HER2+ breast cancer
interpretation	CANCER	
,	Supported by Roche	
	Chairs: J Gralow (USA)	
	Citalis: 3 Graiow (OSA)	
For 2	ODDODTHNITIES FOR CANCED	Draggomma
Fez 2	OPPORTUNITIES FOR CANCER	Programme

DAY 1 | Friday, 20 November

Amphitheatre

WHICH POLICIES AND PROGRAMMES Programme

HAVE BEST DRIVEN PROGRESS IN THE A Ullrich (Switzerland) | WHO's vision on cancer control

AFRICAN REGION?

(France)

CP Wild (France) | IARC: Research informing cancer control in Africa Supported by WHO

N Keita (Guinea) | The country perspective on what works in cancer prevention

L Belakhal (Morocco) | The country perspective on what works in cancer early detection of cervical cancer

Chairs: A Maaroufi (Morocco), CP Wild TBC (Egypt) | The country perspective on what works in partnership for cancer management and palliative

P Park (Rwanda) | The NGO perspective on working with governments

Discussion

Fez 1

MALIGNANCIES IN THE SETTING OF

HIV INFECTION

Supported by NCI (USA) and ACS

Chairs: Y Bensouda (Morocco), K Bhatia (USA), A Jemal (USA)

Programme

K Bhatia (USA) | Introduction

J Martin (USA) | Kaposi's Sarcoma in Africa: Progress and challenges

E Rohner (Switzerland) | Kaposi sarcoma incidence rate in HIV-infected children on antiretroviral therapy from Southern Africa, Europe and ASIA/Pacific

W Phipps (USA) | Frequency and predictors of early mortality among patients treated for HIV-associated Kaposi Sarcoma in Uganda

N Busakhala (Kenya) | Lymphoma in HIV in Africa: New progress

S Gopal (Malawi) | Chop is feasible for HIV-associated non-Hodgkin Lymphoma in the ART era in Malawi N Muqisha (Uqanda) | Predictors of late state presentation of cervical cancer in HIV infected Ugandan

T Ngoma (Tanzania) | The changing pattern of ano-rectal cancer, squamous cell carcinoma of the eye, and Hodgkin's Lymphoma as non-AIDS defining cancers, but HIV status, in Tanzania over 11 years G Kirk (USA) | Hepatic cancers in Africa

Closing remarks and discussion

Fez 2

FREE COMMUNICATION OF ABSTRACTS 1

Programme

EE Jedy-Agba (UK) | Stage at presentation of breast cancer in Sub-Saharan Africa: A systematic review and meta-analysis

(USA)

Chairs: C Berling (France), G Hammons BA Magaji (Malaysia) | Pattern and predictors of health-related quality of life among colorectal cancer patients in University of Malaysia Medical Centre

> R Makunike-Mutasa (Zimbabwe) | Is the routine testing of progesterone receptor on breast cancers on indigenous women cost effective

O Munishi (Tanzania) | Piping hot milky tea in the Tanzanian oesophageal cancer hotspot: A cross-

M Nasri (Tunisia) | Sarcomas primitifs du sein: À propos d'une serie retrospective de 39 cas traites a l'institut salah azaiz sure une periode de 10 ans

D Njama-Meya (Uganda) | Evaluation of cryotherapy availability in facilities equipped with cryotherapy devices in Uganda

O Ogunbiyi (Nigeria) | Cancer incidence and pattern over two time periods (2004-2008 and 2009-2012) at the Ibadan Cancer Registry: A comparison and inference derived from the two periods

R Oodit (South Africa) | Improving patient outcomes after elective colorectal cancer surgery

S Rayne (South Africa) | Direct to implant reconstruction after mastectomy is possible without an acellular dermal matrix: Saving time, saving cost in Johannesburg, South Africa

E Singh (South Africa) | A Review of hot deck imputation for survey non-response: The example of population group in the national cancer registry database

N Thakare (UK) | Transperineal template biopsy for prostate cancer detection after negative transrectal biopsy: Does ethnicity matter?

M Wishahi (Egypt) | Quality of life in women underwent radical cystectomy for carcinoma of the bladder and neobladder with and without genital sparing procedure: The case in African country
